Helpful Hints

Make sure that your video clips are at least 20 seconds long, but feel free to shoot for longer!

Hold your hand steady & upright when shooting!

Your feet are made for walking, get close- don't zoom!

Try to shoot different angles of the same scene.

Bonus Point Shots!

1. Video of the bridal party getting ready- not too racy!
2. Inside & Outside shots of the church and the wedding decorations
3. Get some "well-wishes" videos from the guests to the new couple!
